NOTICE

We came to know from various sources that

- merit list for Geography General and Physical Education General were not available in our website for the public in due time.
- After uploading, the streaming was interrupted several times and
- the list was full of error.

For the above mentioned reasons, a lot of genuine intending candidates were unable to take admission in our college. Admission committee is now facing heap of complaints regarding the problems. On Monday there will be lockdown and no cyber café will be open.

So we have decided to keep the first admission list of these two subjects as it is till 9th September, 2020 (time:12PM).

I hope this type of error will not occur in future.

Yours faithfully

(Dr. Subrata Kumar Ray)
Principal
